

PRODUCT LAUNCH CAMPAIGN

You're an established business or organization with a brand-new product ready for market.

We supply the marketing infrastructure you need for a hugely successful launch.

Red Rock's ultra-customizable 3-Point Product Launch Campaign includes:

- 1.** Uniquely crafted landing pages showcasing your product. We'll lead customers here to generate awareness — and sales.
- 2.** Multi-platform video production. From Facebook videos to TV commercials to Instagram stories, Red Rock brings your products to life with engaging and compelling video content your customers want to see.
- 3.** Richly designed email campaigns that convert interest into investment.
